Notes:

- Students who have not taken HKAL Economics, or have scored below grade C in HKAL Economics, take ECON 150. All others take a free elective.
- Students cannot replace this course by LANG 014/015 for graduation purpose. Students recruited from Mainland China will replace this course by a free elective. For international students who are assessed as having inadequate Chinese background to take LANG 111, they will replace this course by LANG 113.
- Four sequences of courses are designed for students entering with different mathematics background:
 - Sequence B: For students entering with grade D or above in either AL Applied Mathematics or AL Pure Mathematics;
 - Sequence A1: For students entering with grade B or above in HKCEE Additional Mathematics, or a passing grade in AS Mathematics and Statistics or AS Applied Mathematics, or grade E in AL Applied Mathematics/Pure Mathematics;
 - Sequence A2: For students with HKCEE Mathematics, or grade C or below in HKCEE Additional Mathematics;
 - Sequence A3: For students who fall outside the above categories. They will be required to take a mathematics placement test on admission. Students who pass both Parts A and B of the test will follow Sequence A3b; those who do not pass Part A and/or B of the test will follow Sequence A3a.
- Of these courses, at least one course in Humanities and one in Social Science are required.
- Students are required to take and pass this course in their first year of study. Details of the course and its requirements are announced on the course website <http://www.ab.ust.hk/sao/HLTH001> managed by the Student Affairs Office.

A minimum of 102 credits is required for the BSc program in Economics and Finance. Students must take additional course(s) and/or elective(s) of higher-than-required credit value to meet this minimum total of 102 credits.
